PETITION FOR INDEPENDENT SPECIAL GRAND JURY INVESTIGATION INTO JUDICIAL SYSTEM CORRUPTION WITHIN ALASKA

Starting with Former Kenai Grand Juror Ray Southwell's Evidence and with Henry F. Schuelke as the Jury's Independent Counsel.

Page \_\_\_\_\_ of \_\_\_\_\_ (We will fill this in)

Whereas we believe Kenai District Attorney Scot Leaders and Judge Jennifer Wells, in violation of Article 1, Section 8 of the Alaska Constitution and AS 12.40.040, illegally prevented Kenai Grand Juror Ray Southwell from disclosing, to the other jurors, his evidence and belief triable crimes were committed by numerous State Officials within Alaska's Judicial System (including crimes by DA Leaders, judge investigator Marla Greenstein, Troopers, and Alaska judges) – and that this concerns a risk to the public's welfare and safety.

We the undersigned also certify we have not signed a name other than our own, have not signed this petition more than once, and that we are citizens of Alaska.
